Re: Technica, LLC
Case 28-RD-218554

Dear Mr. Young:

This letter is in response to the request that you filed on May 8, 2018 seeking a 14-day extension to file a request for review of the Regional Director's Order Vacating Hearing and Dismissing Certification of Petition issued on April 26, 2018 in the above-referenced case. You have requested that the due date be extended from May 10, 2018 to May 24, 2018. In your request you state that "Petitioner's Counsel has primary responsibility for preparation of an amicus brief in support of the Petitioner in *Gerawan Farming, Inc. v. Agricultural Labor Relations Board*...due on 16 May 2018." You provide no other reasons for seeking an extension of the due date for the request for review.

Section 102.2(c) of the Board's Rules and Regulations specifies that "[r]equests for extensions of time filed within 3 days of the due date must be grounded upon circumstances not reasonably foreseeable in advance." As the grounds for your extension request do not constitute unforeseen circumstances, I am unable to grant your request. Accordingly, it is denied, and the due date for requests for review in this case remains May 10, 2018.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
